FROM NO WHERE TO KNOW WHERE: TRANSITION TO ADULT LIFE

As families of children and young adults with disabilities, we have learned many things
– but most of us admit that we have much more to learn.

Topics include:

- What is transition and why it's important?
- Developing the IEP and Transition Plan
- Laws impacting transition
- Adult services
- Guardianship and Trusts
- District Transition Programs.

FRIDAY, OCTOBER 5

GETTING AND KEEPING THAT FIRST JOB

This workshop will offer information about preparing
for employment for your youth or young adult with disabilities.

THE JOURNEY TO ADULthood

Come learn about what to know to help your child learn about puberty and sexuality. Parents
will receive ideas, tips, handouts and tools to start these important discussions with their children
with disabilities.

SKILLS FOR EFFECTIVE PARENT ADVOCACY

This workshop will teach parents how to be a great advocate for their child. We will also discuss
how you can help your child become a self-advocate.
