

Top 4 reasons we want YOU to take AP classes:

#1: Stand out to colleges

- Because Advanced Placement courses are measured by a universal standard, students who take these courses may receive extra consideration in the college admissions process.
- Students who take Advanced Placement courses send a signal to colleges that they are serious about their education and are willing to challenge themselves with rigorous coursework.

#2: Save time and money

- Research shows that students who take Advanced Placement courses and exams are much more likely than their peers to complete a college degree on time.

#3: Learn time management and study skills

- Students who take Advanced Placement courses are usually more prepared for the rigors of college coursework, as well as the ACT/SAT because of the study skills, discipline, and knowledge gained while taking such courses.

#4: Earn college credit

- Students can receive University credit depending on the score earned on the Advanced Placement exam.
